Product # 672

UNITED AGRICULTURAL SERVICES' researches, manufactures, and markets one of the largest lines of high-quality biological organic/natural/sustainable fertilizers, foliar nutrients, and natural biodegradable soil conditioners. These products include plant nutrients, liquid soil modifiers, humic acids, seaweed, fish emulsion, nitrogen-fixing bacteria, beneficial fungi, and many other environmentally safe products. The hot-mixed, homogenized CROPMASTER PLANT NUTRIENTS are liquid fertilizer NPK products made from high-quality materials. These ingredients are food-grade purity or higher. CROPMASTER products contain no salt filler or mutiate of potash. They also contain no chlorine. We also supply Organic NPK/Soil products and micro-nutrients.

Storage: Keep container sealed tightly when not in use. Do not expose to sunlight for long periods of time. Store in temperatures between 5 C (41 F) and 25 C (77 F).
